Being a celebrity hairstylist is lots of fun but my most fun moments is hanging with other celebrity hairstylist like Dontay Savoy from L.A. Hair and Johnny Wright, hairstylist to our very own first lady, Michelle Obama.

Tip of the Week: A great deep-conditioning treatment

Redken, Extreme Strength Builder Plus. It's a superb deep conditioner that infuses the perfect combination of moisture and strength to your tresses. It leaves hair softer, stronger and more manageable.
