Why We Love Scandal...

Every Thursday night my Facebook timeline is flooded with status updates anticipating what will happen next on 'Scandal.' This political thriller has managed to combine all of the ingredients of a great drama like mystery, danger, love, betrayal, and the most important element, surprise.

Show creator Shonda Rhimes reminds me of a modern day *Scheherazade* as she has an ability to keep you invested and interested in the lives of the characters she creates. The biggest testimony to that would be the success of her original series 'Grey's Anatomy' that has been running 10 seasons strong. And now with her new show 'Scandal' on a 3 weeks hiatus, fans are on the edge of their seats wondering what will happen next in the life of Olivia Pope.
