Chad Johnson and his lawyer were in a Florida courtroom on Monday, June 10 on a probation violation hearing. His lawyer was hoping to cop a plea deal so that Johnson could avoid jail time and he was seconds away from doing so. However, after the judge told Johnson that he had a great lawyer and that he should commend him for his efforts, Johnson went a little too far.

He thought that it would be a good move to slap his lawyer on the butt and Judge Kathleen McHugh was not amused. In fact, she rejected the plea deal, extended his probation by three months and also sentenced Johnson to 30 days in jail! She said:

I don't know that you're taking this whole thing seriously. I just saw you slap your attorney on the backside. Is there something funny about this? The whole courtroom was laughing. I'm not going to accept these plea negotiations. This isn't a joke.
