Once again, it was time to pack it up and take it on the road. Destination; the 42nd Annual Legislative Conference, featuring the Congressional Black Caucus, recently held in Washington, D.C. CBC members representing our fabulous city were the Honorable US Congresswoman Sheila Jackson Lee, and the Honorable US Congressman Al Green. And represent fabulously, they did!

Whether it was Congressman Green's exclusive, invitation only sit down dinner reception with guests that included Martin Luther King, III or Congresswoman Sheila Jackson Lee's all out party with guests that included Houston's finest and brightest political leaders, as well as DC royalty; there was merriment and networking in progress.
