Nothing kicks off the fall season like the St Mary's Annual Church Bazaar! People come from far and near to get a taste of some good ole Creole food. There was plenty of cooking and eating that weekend.

Whether you wanted down home fried chicken, BBQ beef, seafood gumbo, fried fish, boudain, sausage on a stick, or funnel cakes amongst a wide assortment of desserts, they had it out there. They even had frozen margaritas for sale, as well as beer. Cars were parked 5 and 6 blocks down Ennis & Rosedale in both directions.
