FABULOUS AROUND HOUSTON LEGENDS OF BASKETBALL ALL-STAR WEEKEND

Calvin Murphy, Wanda Adams and Major Jones

The Houston Chapter of the NBRPA (National Basketball Retired Player Association) threw a fabulous party celebrating the 62nd NBA All-Star Weekend festivities. This event was held at Mercedes Greenway of Houston. The parties' hosts were Elvin Hayes, Moses Malone and Calvin Murphy.

There were NBA fans dressed stylishly, eating on light bites and drinking from open bars throughout the night. Celebrity DJ for the night was MCLyTe. There were live bands that also played intermittently throughout the night.

A true who's who amongst the Legends of Basketball and their fans and supporters.

Forever Yours,
