The award winning internationally acclaimed Texas Southern University Debate Team continued its winning streak by outstanding performances of the team at the Swing Tournament held, recently at Carson Newman University in Tennessee. The team was one of fourteen schools represented, including two other HBCU schools, Tennessee State and Morehouse. At the end of the three days of stiff competition, the team had amassed a number of points sufficient to rank it second.

Overall Sweepstakes trophy was presented to the team at the Awards assembly held at the end of the tournament, as well as the second place Individual Events Sweepstakes award, and the first place Pentathlon award for the top speaker at the tournament. As a result of excellence in individual and group performances, the team was awarded a total of 43 trophies, one more than the record 42 set by the team when it competed at the Mt. Rainer Classic in Washington in 1995. Needless to say that the members of the novice team as well as the varsity team were pleased that they were the ones that topped the record held in tack for sixteen years.

The team received awards in the following categories:
