This year, the holiday wishes of thirty special families will be granted when they receive a house full of furniture during the 28th Annual Gallery Furniture Holiday Giveaway.

In December, Gallery Furniture will deliver furniture specifically selected to fit each family's needs based on letters submitted by family and friends describing their situation. A total of thirty families will be chosen from the letters submitted to Gallery Furniture by a panel of judges, including prominent business leaders from Houston on December 13. In addition, some letters will be posted on the Gallery Furniture Facebook site where fans will also choose deserving recipients.

"Many Houstonians have had a difficult year in 2011 and Gallery Furniture is once again happy to help make their season a little brighter," said owner Jim "Mattress Mack" McIngvale. "Gallery Furniture started this giveaway 28 years ago and we have continued to grow it because of the joy it brings to so many of those in need in our Houston community."

Those wishing to nominate a family or individual to receive furniture from the Gallery Furniture Holiday Giveaway are encouraged to write a letter describing the nominee's situation and why they deserve to be chosen. Letters can be dropped off at Gallery Furniture, 6006 North Freeway, Houston, TX 77076 or emailed to mack@galleryfurniture.com.
